Have you ever dreamed of owning your own business? How about your own bar?!

We have for sale only, a bar and beer garden located in beautiful Long Pine, Ne. Nestled in the heart of the Sandhills you will be entertaining visitors from Hidden Paradise in the summer, hunters in the fall and winter, and locals year round.

The bar was completely gutted and remodeled, (including all new to barely used kitchen equipment), 9 years ago and gone thru again this summer after being closed the past 7 years. From the gorgeous pine, tongue and groove ceiling to the spacious beer garden, this property is beautiful inside and out! There are some things that need attention and that is reflected in the price. No financing and serious inquires only please. PM for more information. Thanks for looking!
